Sessions for PAs Added to ICJR's

11th Annual Winter Hip & Knee Course

January 17-20 | Vail, Colorado

5 breakout sessions address issues unique to orthopaedic PAs!

The sessions for physician assistants that we presented at last year's Winter Hip & Knee Course were so popular that we're doing it again: We've added 5 breakout sessions to the **11th Annual Winter Hip and Knee Course** that focus on perioperative management of hip and knee replacement patients from the physician assistant's perspective.

The sessions planned for this year's meeting include:

Pre- and Postop Planning

- Patient Selection and Optimization
- Outpatient vs. Inpatient: How Do We Decide?
- Templating
- Wound Closure

Pharmacology

- Multimodal Pain Management
- Disease-Modifying Anti-Rheumatic Drugs
- DVT Prophylaxis

Bioskills Lab

- Positioning
- Incision
- Retractor Placement
- Releases
- Intraoperative C-arm Imaging and Interpretation
- Periarticular Injections
- Wound Closure

Panel Discussion: What Keeps PAs Up at Night?

Panel Discussion: Case Reviews

The **11th Annual Winter Hip & Knee Course**, the premier winter meeting focused on hip and knee arthroplasty, will take place January 17-20, 2019, at the Vail Marriott Mountain Hotel in Vail, Colorado.

Go to <https://icjr.net/2019winter> to reserve your place at this in-demand meeting.

We look forward to seeing you in Vail!
