YOU ASKED. WE LISTENED. LAB NOW ON FRIDAY!

8TH ANNUAL
DIRECT ANTERIOR APPROACH HIP COURSE

JW MARRIOTT HOUSTON | HOUSTON, TX
OCTOBER 17 – 19, 2019

www.icjr.net/2019anterior

Founded in 2007, ICJR is a 501(c)(3) non-profit organization that provides quality educational experiences and content for the global orthopaedic surgery community. This is accomplished through live CME meetings and a website featuring surgical videos, articles, and news on joint replacement of the hip, knee, and shoulder.
Dear Colleague,

On behalf of the International Congress for Joint Reconstruction (ICJR), we invite you to join us in Houston for the 8th Annual ICJR Direct Anterior Approach Hip Course. This is the premier course for orthopaedic healthcare professionals interested in learning more about the direct anterior approach (DAA) for total hip arthroplasty (THA).

This comprehensive three-day course will cover all aspects of the DAA, from patient selection to operative techniques for optimizing outcomes, from complex primary THAs to simple and not-so-simple revision procedures using this approach.

The 8th Annual ICJR Direct Anterior Approach Hip Course is designed for surgeons who are already using this approach and are interested in honing their skills. Our expert faculty members from the United States and Europe are eager to share their insights into the latest techniques, clinical outcomes, and perioperative protocols associated with this approach, including thorough instruction on how to incorporate the DAA into revision surgery practice.

Featured at this year’s meeting are:

- Live and pre-recorded surgeries highlighting the DAA for primary and revision THA
- An extended bioskills lab moved to Friday that will allow optimal hands-on opportunities for learning (the lab is included in the course registration fee for physicians and allied health professionals; space is limited and will be filled on a first-come first-served basis)
- Sessions on incorporating enhanced recovery protocols and an outpatient arthroplasty program into practice
- Detailed didactic sessions and interactive case-based panel discussions covering all aspects of the DAA surgical technique
- Tips and tricks from the faculty on how to avoid complications with the DAA technique — and what to do if complications occur
- Concurrent PA Sessions will return!

We look forward to seeing you at this dynamic educational experience!

We are continuing Physician Assistant Sessions this year to address some of the clinical issues physician assistants face every day.

Topics our faculty will discuss during the physician assistant sessions include:

- Patient selection and optimization
- Evaluating the painful hip
- Preoperative templating
- Wound closure and dressings
- Prophylactic measures for DVT

In addition, we’ll have a special bioskills lab session highlighting:

- Room setup, including special operating tables
- C-arm position and image interpretation
- Retractor positioning and exposure tips
- Periarticular injections
- Lateral femoral cutaneous nerve injury

This is a great way for physician assistants to amp up their skills!

For more information regarding the PA sessions and schedule, please visit: www.icjr.net/2019anterior

**AGENDA**

**THURSDAY, OCTOBER 17, 2019**

10:00 AM Registration
11:00 AM Welcome and Introductions
11:05 AM Economics
12:37 PM Surgical Broadcast
1:37 PM Break
1:52 PM Keynote
2:22 PM Outpatient Arthroplasty: Where, When, and Why?
3:09 PM Optimized Outcomes and Enhanced Recovery
4:37 PM Surgical Broadcast
5:37 PM Break
5:52 PM Operative Preparation and Planning
7:12 PM Literature Review: Latest and Greatest
7:50 PM Opening Reception
8:50 PM Adjourn

**FRIDAY, OCTOBER 18, 2019**

6:00 AM Industry-Sponsored Breakfast Symposium
7:00 AM The Acetabulum
8:32 AM Pre-Recorded Surgery
9:02 AM The Femur
10:38 AM Break
11:08 AM What’s New in Your OR? — Recipes for Success
11:33 AM Key Note: Infection
11:53 AM Industry-Sponsored Luncheon Symposium
12:53 PM Case Reviews: Difficult and Interesting THAs
1:33 PM Pre-Recorded Demonstration
2:03 PM Transportation to lab (MITIE)
2:48 PM Move to lab; Change into scrubs
3:08 PM Bioskills Workshop
6:08 PM Transportation to hotel
6:53 PM Adjourn

**SATURDAY, OCTOBER 19, 2019**

6:00 AM Breakfast
7:00 AM Avoiding and Treating Complications
8:19 AM Surgical Broadcast
9:19 AM Break
9:34 AM Good Outcomes from Bad Circumstances: My Most Challenging Cases
11:08 AM Industry-Sponsored Luncheon Symposium
12:08 PM Revision THA
1:11 PM Video Vignettes — Revision THA
2:00 PM Course Adjourn

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Foundation for Orthopaedic Research & Education (FORE) and the International Congress for Joint Reconstruction (ICJR). FORE is accredited by the ACCME to provide continuing medical education for physicians. FORE designates this live activity for a maximum of 15.75 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

BECOME AN ICJR MEMBER & SAVE! Please visit www.icjr.net to join and save money on your next conference. Join the ICJR mailing list to stay up-to-date on upcoming meetings and events.

UPCOMING ICJR LIVE MEETINGS

8th Annual Shoulder Course
Nov 14 – 16
Las Vegas, NV
Reilly Hexemoran, MD
Joseph A. Abboud, MD

12th Annual Winter Hip & Knee Course
Jan 16 – 19
2020
Vail, CO
Raymond H. Kim, MD
Mark W. Pagnano, MD
Bryan G. Springer, MD

2nd Annual European DAA Hip Course
Jan 30 – Feb 1, 2020
Interruett, Austria
Michael Nagler, MD, MA
Martin Thrall, MD, MSc

2nd Annual Emerging Technologies In Joint Replacement
TBD 2020
Nashville, Tennessee
Cory Calendine, MD
Arthur L. Malkani, MD

8th Annual South Hip & Knee Course
Apr 16 – 18
2020
Key Largo, FL
Walter J. Beavers Jr, MD
Thomas L. Bostwick, MD
James A. Brown, MD

8th Annual Revision Hip & Knee Course
Jun 18 – 20
2020
Rochester, MN
Artin D. Hannson, MD
Matthew P. Abdel, MD
R. Michael Meneghini, MD

9th Annual Direct Anterior Approach Hip Course
Oct 8 – 10
2020
Houston, TX
Joseph T. Moskal, MD, FACS

28th Annual Perspectives in Total Joint Arthroplasty
TBD 2020
Fall River, KS
Mark W. Pagnano, MD

9th Annual Shoulder Course
Oct 15 – 17
2020
Las Vegas, NV
Reilly Hexemoran, MD
Joseph A. Abboud, MD

MEETING LOCATION & ACCOMMODATIONS

DIDACTIC SESSIONS & ACCOMMODATIONS
JW Marriott Houston by the Galleria
5150 Westheimer Road
Houston, TX 77056 USA
Reservations: +1 (800) 228-9290
Reference “2019 ICJRDA”
FRIDAY BIO SKILLS LAB
Methodist Institute for Technology Innovation & Education (MITIE)
6410 Berlier Avenue
5th Floor
Houston, TX 77030
Transportation between the Hotel and the BioSkills Lab (Mitie) will be arranged by ICJR.

IMPORTANT DATE!
HOUSING CLOSURES AUGUST 12, 2019
Reserve rooms early because the hotel fills quickly!
Attendees are responsible for their own travel and accommodations arrangements. A limited number of rooms are blocked at the guaranteed rate of $189 per night until Monday, August 12, 2019, or while availability lasts.;

SERVICES FOR THE DISABLED
If you require special accommodations, contact ICJR by email at info@icjr.net or call (760) 942-7859 a minimum of 30 days before your arrival so that we may assist.
