2019
RESIDENTS & FELLOWS COURSE:
ADVANCED TECHNIQUES IN
TOTAL HIP & KNEE
ARTHROPLASTY

MARRIOTT MARQUIS | NEW YORK, NY
OCTOBER 10 – 12, 2019

www.icjr.net/2019rfc
Dear Future Leaders,

On behalf of the International Congress for Joint Reconstruction (ICJR), I am pleased to present our inaugural Residents and Fellow Course titled “Advanced Techniques in Total Hip & Knee Arthroplasty.” This course is designed to address the educational needs of senior residents (PGY 4 & PGY 5) and fellows interested in adult reconstruction. Specifically, it is designed for those who already have experience with primary hip and knee arthroplasty and now want to expand their knowledge in performing complex primary and revision procedures.

Our expert faculty will deliver an interactive curriculum that ensures residents and fellows are exposed to a variety of operative techniques, instrumentation, and implants to complement their current training programs. The course format will consist of didactic presentations, small group discussions, case presentations, a live surgery, and a three-hour hands-on bioskills lab where attendees will have ample time to practice and improve their technique.

You won’t want to miss out on this unique educational experience. Space is limited and will be offered on a first-come, first-served basis, so register today to reserve your spot! For further information and registration, please visit the course website at www.icjr.net/2019rfc. For questions and inquiries, please contact info@icjr.net or by phone at 760-942-7859.

We look forward to seeing you in New York!

Sincerely,

George J. Haidukewych, MD
Course Chair

## ACCREDITATION

### TARGET AUDIENCE

Orthopaedic fellows and senior residents (PGY 4 & PGY 5) interested in specializing in adult reconstruction. More specifically, those who already have experience with primary hip and knee arthroplasty and now want to expand their knowledge and skillset in performing complex primary and revision procedures.

### LEARNING OBJECTIVES

- Discuss current trends and identify the various treatment options, approaches, and surgical techniques for complex primary and revision total hip arthroplasty (THA) and total knee arthroplasty (TKA)
- Implement strategies and techniques to prevent complications in complex primary and revision THA and TKA, and evaluate potential outcomes
- Develop an understanding of the surgical techniques and failure mechanisms for revision THA & TKA
- Identify and apply current strategies for pain management, instability, and fractures in total joint arthroplasty
- Evaluate the various options for the diagnosis, treatment, and prevention of infection in complex primary and revision THA and TKA
- Differentiate and compare implant options for complex primary and revision THA and TKA based on patient factors, design qualities, and reported outcomes

### ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Foundation for Orthopaedic Research & Education [FORE] and the International Congress for Joint Reconstruction (ICJR). FORE is accredited by the ACCME to provide continuing medical education for physicians. FORE designates this live activity for a maximum of 13 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

REGISTER TODAY! www.icjr.net/2019rfc | info@icjr.net | +1-760-942-7859
REGISTRATION
For eligible fellows and senior residents (PGY 4 & PGY 5), a $100.00 refundable deposit will be required upon registration. After the course has concluded and your attendance has been verified, you will receive a full refund.

MEETING LOCATION & ACCOMMODATIONS

NEW YORK MARRIOTT MARQUIS
1535 Broadway
New York, NY 10036
212-398-1900

Please note: All residents and fellows registering for this course MUST fill out and email the logistics questionnaire to the meeting program manager to complete the registration. Visit http://bit.ly/rfc-housing to download the questionnaire.

After your registration has been confirmed and you’ve submitted the logistics questionnaire, ICJR will be responsible for making your lodging arrangements for you. Please note that each attendee will be sharing a room with one other course participant.

You will have the opportunity to select whom you’d prefer to share a room with. If you do not have a preference, your roommate will be randomly assigned by gender. Your hotel room and tax charges for up to two nights will be billed directly to ICJR’s master account; you will be asked to provide a credit card for additional expenses and upgrades. All other associated expenses including airfare will be your responsibility as attendee.

IMPORTANT DATE!
HOUSING CLOSES SEPT. 26, 2019

Limited rooms are available and will fill up quickly. To secure your room, you must submit the logistics questionnaire no later than Thursday, September 26, 2019.

SERVICES FOR THE DISABLED

If you require special accommodations, contact ICJR by email at info@icjr.net or call (760) 942-7859 a minimum of 30 days before your arrival so that we may assist.
